March

A Message From Our ACC President

Dear Members of Alliance Country Club,

I am GRATEFUL for the wonderful couple days we are experiencing here at the end of February with such amazing weather! It certainly feels like spring is just around the corner, and with it, the excitement of another fantastic, fun season at Alliance Country Club.

As we look forward to the warmer days ahead, I'm thrilled to announce that starting April 1st, our club will be returning to normal hours of operation. This means more opportunities for you to enjoy our beautiful course, connect with fellow members, and make the most of all the amenities we have to offer.

I also want to take a moment to highlight the incredible success of our chalkboard menu. The feedback from our members has been overwhelmingly positive, and we truly appreciate all the comments and suggestions you've shared with us. If you haven't had a chance to try it yet, I highly recommend you do so. And don't forget, we've made it even easier for you to share your thoughts with us by placing QR codes on the tables. Simply scan the code, and you'll be directed to a feedback form that our amazing team reviews regularly.

Thank you for being a part of our community and for your continued support. Let's make this upcoming season one to remember!

Warm regards,

Mark Fedor
Board President
Alliance Country Club

General Manager's Update

March is here and we are betting against the weather to get us an early start! It is just around the corner.

While the course is still very wet and somewhat frozen at times, we try and focus our attention to our food, beverage and social operations in the off seasons. I urge you to take advantage of our feedback opportunities to give us the information to continue to make improvements. These can be found in your checks at the end of a meal, and also on the middle of the dining tables with QR codes. Trust that our staff takes them seriously to enhance your experience at the club.

The irrigation project will be starting up again very soon as things begin to thaw. Projects on various cart path repairs, equipment repair and maintenance, and preventative measures have been the focal point of the grounds department in the off season.

The golf staff is also gearing up for their return and will be back in touch next week, as the golf shop will reopen. They will be sending updates when the golf course is playable, but the shop will be open for early action! See their page in the newsletter for exciting sales coming up.

This is a very critical time of year to push memberships. Anna and her membership committee behind the curtains have been very hard at work. A special thanks to the Karcher Group, Victor Haidet, and Mark Fedor for their extra efforts on this. I challenge each of you to bring a new face to our family here at ACC. Our membership can be the most powerful tool of marketing.

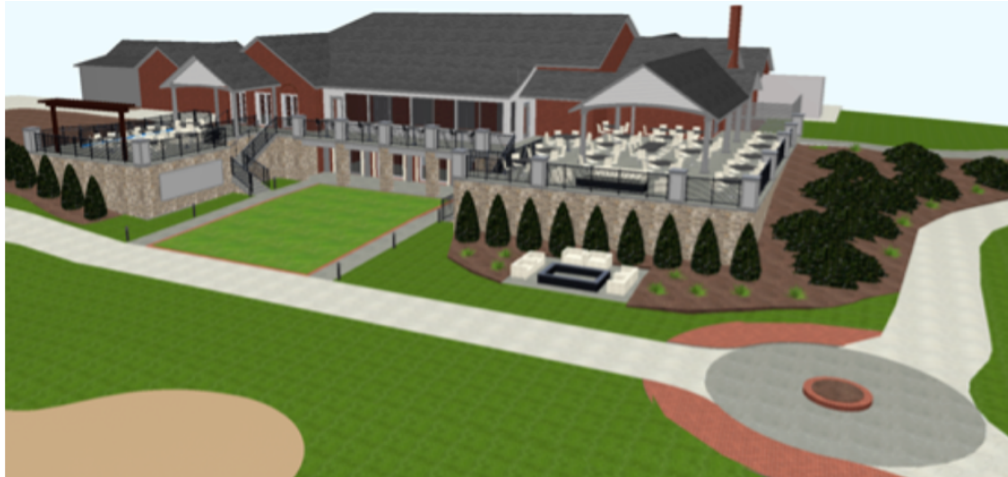

The social committee led by Dawn Conny and incredibly hard preparation work from Vivian and Chef, had a great start to the year. You are missing out if you haven't attended some of our wonderful events. Don't miss out on these events and check out all the upcoming ones at the club. The flyers are within the newsletter.

As always, if there is anything I can do to help or assist you with anything, please do not hesitate to reach out. Even though the season is just around the corner, don't forget about the amazing dining opportunities you have here at the club on a daily basis!

Take care... Troy Grove; GM

Alliance Country Club Patio Project

Order Here

Dear Members,

We are excited to announce the new patio project at the Alliance Country Club. This is more than just a renovation - it's a chance to leave your mark on our beloved club and contribute to its rich history.

By purchasing an engraved paver, you can commemorate your family, celebrate a special occasion, or honor a loved one. You can also choose to memorialize a past member, creating a lasting tribute to their contribution to our community. These pavers will form the foundation of our new patio, creating a mosaic of memories and stories from our members.

Your contribution will not only enhance the beauty of our club but also strengthen the sense of community. Each engraved paver will serve as a lasting testament to our shared love for this club and the many wonderful moments we've experienced here.

Don't miss this unique opportunity to become a permanent part of Alliance Country Club's legacy. Let's pave the way to our future together!

Thank you for your continued support.
ACC Board

Welcome

Mr. Ian Smith

Mr. Smith currently lives in Uniontown. Prior to his move to Uniontown, he lived in Alliance while attending the University of Mount Union, where he earned a BA in Marketing & Finance and an MBA in Data Analytics. He currently works at the Schauer Group where he splits his time between the downtown Canton and Alliance offices. He also worked as a bag boy at the ACC from 2020 to 2024! Outside of golf, he loves to work out, cook, and spend time with his family and friends. Ian and his girlfriend, Zoey, are looking forward to meeting everyone!

Not Pictured:

Mr. Scott Zilke

Mr. Zilke currently resides in North Jackson. He is single and is an engineer at Morgan Engineering.

Mr. Mike Bugara

Chef's Update

We are excited to announce that we are back and pulling out all the stops to enhance your dining experience. With three chalkboard menus successfully established, we are currently fishing for innovative new menu ideas to unveil on April 1. As part of our commitment to customer satisfaction, we will be including comprehensive allergy information on our menu. Should you have any inquiries regarding our offerings, please do not hesitate to ask; we are here to assist you. Additionally, if our current selections do not meet your preferences or you are in the mood for something specific, we encourage you to reach out. We will make every effort to accommodate your requests, given a 24-hour notice for any adjustments. We extend our heartfelt thanks for the overwhelming support we have received—this February has been our busiest yet!

John Hammack
Executive Chef

A Note From Our Bar Manager

I want to take this opportunity to introduce myself and share what's on the horizon for the Club's bar offerings. As you all probably know, I started at ACC in August. Before August, I worked at the Timberlanes Complex in Salem. I have two dogs (Mastiffs), Tiny and Oscar, and I live in Lisbon.

I'm really looking forward to this upcoming season, as we'll be in full swing (pun intended) with the patio being complete and the golf course being in the best shape to date. I'm currently working on updating the wine list—removing some options, adding new ones, and adjusting prices for our wine lovers.

There will also be a new section on the beverage menu for our Signature Cocktails, so stay tuned. I am very grateful for this opportunity and look forward to being of service to each and every one of you. Cheers!

Adam Geer
Bar Manager

GOLF

A Message From The Pro:

Greetings ACC and happy golf season. My staff and I are excited to get the 2025 golf season started!! It is especially exciting for me as it marks my 10th season as your head golf professional. I'm sure you all can't wait to get out here too!! Mother Nature always plays a hand in golf course and golf cart availability. Please know that is just as important to the staff as it is to you to get the golf course open and carts in the fairways. We just ask for your patience and understanding when decisions on availability are made. I am setting a goal of over 10,000 rounds of golf this season. One of the best golf courses in Northeast Ohio is right at your fingertips. Let's work together to play more golf with fellow members and especially bring more guests. After all, guests turn into members! My staff and I are at your service and look forward to seeing you all in the fairways!!

Your Pro,

Doug Brown, PGA

Bag Storage

Bag storage is available to all members on a first come first serve basis as space is limited. Platinum members receive bag storage as part of their membership. Pricing for annual bag storage is as follows:

1 bag \$100, 2 or more bags \$90, push carts \$60
