# A Message From Our ACC President

Dear Members,

Spring has sprung, and you know what that means—golf season is here! The weather in Ohio is finally warming up, and it's the perfect time to dust off those clubs and hit the greens. Let's embrace the beautiful weather and make the most of this golf season.

Starting April 1st, we are back to our normal hours of operation. The golf schedule is now available on Golf Genius, so let's get signed up and aim for victory. If you're unsure if this is your year to win, sign up for lessons with our Pros. If it's an equipment issue preventing you from winning, our Pros can help you there too!

Our Chef has been on fire lately, with the chalkboard menu and Chef's tables receiving rave reviews over the past two months. If you missed out, shame on you! But don't worry, a new menu is coming out in April, so make sure you don't miss it this time. Follow us on social media—Facebook, Instagram, and TikTok—to stay updated. Thanks to Vivian's amazing work, we're getting 5-7 thousand impressions each month. If you need help getting on our social media, Vivian is here to assist you. If you prefer not to be on social media, we also send out emails, multiple times a week. Don't ignore them! If you're not receiving them, Vivian can help with that as well.

The club attraction marketing blitz, led by Anna and the Membership Committee, is in full swing. Social media ads and a targeted postcard mailer are generating buzz about ACC. Our new website is looking amazing and is on schedule to go live at the end of April. If you see Anna with prospective members, go introduce yourself and let them know why you chose ACC to be your country club. Your personal touch can make a big difference!

And don't forget, we've made it even easier for you to share your thoughts with us. We've placed QR codes on the tables—simply scan the code, and you'll be directed to a feedback form that our amazing team reviews regularly for suggestions, accolades or opportunities for improvement.

We are staffed and ready to serve, and all we are missing is you at the club! Let's make this season unforgettable.

See you at the club!

Warm regards,

President, Alliance Country Club

Mark Fedor

# General Manager's Update

The Masters is just around the corner meaning the start to our season is soon to follow! Each department has started nailing down details prior to the reopening of our different areas. Details for the pool, tennis leagues and general info will be coming very soon. Swim leagues and tennis teams have meetings in April with their respective leagues. You will start to see things ramp up once we are sure (Ohio weather sure) the winter season is truly behind us.

I would like to take a moment to thank everyone for their patience over the last couple of years, full of amazing transformations, additions and improvements. Three of the projects to complete include the new irrigation system, website, and upgrades to the grill room. The irrigation project is coming along nicely and is scheduled to be done soon, hoping to wrap it all up prior to early May, possibly earlier than that. I again thank you for your patience especially with our website as we are significantly making an upgrade that will offer easier access and better services to our membership. Lastly regarding additions, a very big notice of appreciation is due to Dawn and Mike Conny as they have secured and donated new furniture to the grill room. A massive improvement. Thank you so much!

This time of year we take advantage of social events, live music for dining, and new menus will start for the season on April 1st. A warm thank you is due to Roger and Cheryl Evans to enhance the kitchen with new refrigerator and freezer units! It is still very important to plan ahead, make reservations and keep an eye out for our communications as we start to open up different areas of the club. This also goes for tee times. Our "season" is just around the corner, but don't forget about these amazing dining opportunities you have here at the club on a daily basis! Chef John and his team along with Adam, Heather and the gang in the grillroom are eagerly anticipating your attendance!

This is also by far the most important time of year to add members to the ACC family. Anna has been very hard at work getting our marketing side of things in motion. Please assist her by bringing guests or passing along information of potential leads.

Please do not forget we have an incredible event staff, led by Vivian, and has so many different options to host your next memorable occasion. Let her know if you are interested to take advantage of the stunning upgrades here at ACC.

Enjoy your club! ~Troy Grove; GM

# Welcome

## Mr. & Mrs. Marco and Mackenzie Buccasso

Mr. and Mrs. Buccasso both grew up in Louisville and both graduated from the University of Mount Union, where they met. Marco works as co-owner of Begue Construction and Mackenzie works at Roholt Vision Institute as an ophthalmic technician. They got married in 2020 and now have a son who is a year and half - Beckham! They love being outdoors, playing sports, going to the beach, and being with our families. They are also big Cleveland and Ohio State sport fans! Marco and Mackenzie are so excited to be joining ACC and are looking forward to the relationships that will be made!

Mr. Messina has lived in Green his entire life and has been married to his wife, Christine, for 25 years. He has three daughters and enjoys traveling with them. He is an avid wine collector and loves playing golf. He graduated with a business degree from the University of Akron and has worked with Edward Jones as a Certified Financial Planner and Wealth Advisor for the past 25 years, with 17 of those being in the Alliance office. He was selected to be a General Partner of the firm and has held that role for the last eight years. He has also been named to Forbes Top Wealth Advisor Best-In-State list the last three years. He is excited to become a member of the Alliance Country Club.

## Mr. John Messina

## Mrs. Lynda (Gallina) Hofer

Mrs. Hofer currently lives in Alliance after moving back from Catawba Island following her husband's passing to be closer to family. She is retired from the Hoover Company and also owned a small group medical insurance company with her husband. She loves traveling, decorating and dancing. She is looking forward to enjoying time at the Alliance Country Club with friends and meeting new ones.

# EMPLOYEE

## Spotlight

Tyler DeShields is a native of Salem, Ohio, and a West Branch graduate. At the beginning of his collegiate career, Tyler played quarterback at the University of Akron and then at Sul Ross State University in Texas. For his final years of eligibility, Tyler returned home to attend the University of Mount Union so his family could watch him play his last two seasons. He noted that the highlight of his UMU career was traveling to Houston, Texas, in January for the Stagg Bowl with his team and having the opportunity to play for the national championship. During his time in college, Tyler earned a bachelor's degree in Criminal Justice and a master's degree in Education.

**Tyler DeShields**

**Grounds Employee**

Throughout his collegiate career, Tyler typically returned to the ACC and worked in the Grounds Department over the summer. In 2019, he was hired by former Grounds Superintendent Dave Blasiman. Tyler first learned about the ACC because his older brother, Kip, had also worked for Dave.

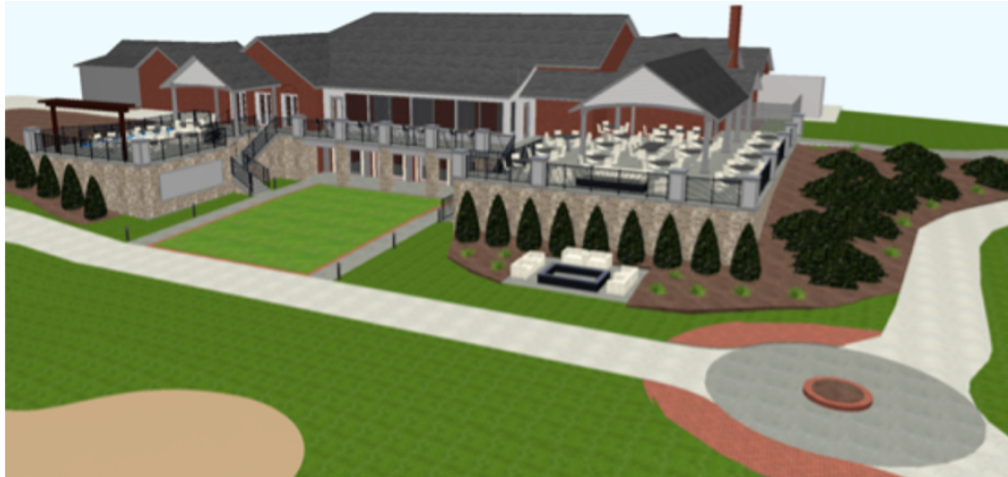

A typical workday for Tyler starts at 6:30 a.m. Some of his responsibilities include mowing and rolling greens, changing cups, cleaning sand traps, and ensuring the course is in top condition.

Tyler said his favorite part about working at the ACC is taking pride in the course. He enjoys when members and guests notice that the course is in excellent shape, as he believes it truly is the best course in the area!

Tyler's ultimate goal for the future is to become a quarterbacks coach or an offensive coordinator at a Division I college or at the professional level.

# Alliance Country Club Patio Project

## Order Here

Dear Members,

We are excited to announce the new patio project at the Alliance Country Club. This is more than just a renovation - it's a chance to leave your mark on our beloved club and contribute to its rich history.

By purchasing an engraved paver, you can commemorate your family, celebrate a special occasion, or honor a loved one. You can also choose to memorialize a past member, creating a lasting tribute to their contribution to our community. These pavers will form the foundation of our new patio, creating a mosaic of memories and stories from our members.

Your contribution will not only enhance the beauty of our club but also strengthen the sense of community. Each engraved paver will serve as a lasting testament to our shared love for this club and the many wonderful moments we've experienced here.

Don't miss this unique opportunity to become a permanent part of Alliance Country Club's legacy. Let's pave the way to our future together!

Thank you for your continued support.

## A Message From The Pro:

Happy Spring ACC!!! The Masters is just around the corner and we are all itching to play golf!! After all, we start posting scores on April 1st!! New for this year, our tee time network is now equipped to track your score posting. You will receive a notice from the professional staff if you do not post your score within 24 hours. Remember, tell the "Hole" truth! We are also asking everyone to physically check in with the golf staff prior to play. Doing so will help ensure accurate billing and rounds tracking. All guests must register in the golf shop as well.

Now register for our events and start warming up!! The season will be rolling before we know it!!

Your Pro,

Doug Brown, PGA
